2 person has recommended Tomislav

"Tomislav is an ambitious developer, who is eager to learn new things, explore new fields and will work hard to get things done. Working with Tomislav on the website for Beatrix Crew was great because he is always willing to listen and learn, while paying attention to details when designing a website. I highly recommend him to any company that wants an up-and-coming web designer."

— **Emir Al Kafadji**, *Marketing Manager, Beatrix Crew*, managed Tomislav at Beatrix Crew

"Tomislav is one of those people you would always want to work with. He did an excellent job by creating our Beatrix Dance League Project's web-site. He works fast and he is devoted to his job. He completed all of our requests without any problems, and his work met our goals overall. Tomislav is a hard-working enthusiast and always open for cooperation."
